Re: Suggestions on Health Issues

Please be advised that before putting the garbage into the trash can, put it in a garbage bag, which can avoid direct contact with the garbage can and reduce pollution and odor. Therefore, please seal the garbage bag before putting it in the trash can. Pay attention to hygiene and environmental protection is the responsibility of each of us. Please create a cleaner and healthier environment for our home!

For enquiries, please contact Management office at 2992 0916 / 2992 0895.
